

**VILLAGE OF WOODSTOCK  
CHAMPAIGN COUNTY**

**NOTES TO THE FINANCIAL STATEMENT  
FISCAL YEAR ENDING DECEMBER 31, 2022**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Description of the Entity**

The constitution and laws of the State of Ohio establish the rights and privileges of the Village of Woodstock, Champaign County, as a body corporate and politic. A publicly-elected six-member Council directs the Village. The Village provides sewer utilities, street maintenance and park operations.

The Village participates in a jointly governed organization. This organization is The Northeast Champaign County Fire District

The Village's management believes these financial statements present all activities for which the Village is financially accountable.

**B. Accounting Basis**

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit.

**C. Deposits and Investments**

The Village's accounting basis does not hold investment instruments.

**D. Fund Accounting**

The Village uses fund accounting to segregate cash that is restricted as to use. The Village classifies its funds into the following types:

**1. General Fund**

The General Fund accounts for and reports all financial resources not accounted for and reported in another fund.

**2. Special Revenue Funds**

These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Village had the following significant Special Revenue Funds:

Street Construction, Maintenance and Repair Fund - This fund receives gasoline tax and motor vehicle tax money for constructing, maintaining, and repairing Village streets.

(Continued)**

State Highway Fund – This fund receives gasoline tax and motor vehicle tax money for maintenance and repair of the State highway.

Permissive Fund – This fund receives motor vehicle license tax money for maintaining and repairing public highways and streets as described in ORC Section 4504.02.

American Rescue Plan Fund – This fund receives distributions associated with the 2021 American Rescue Plan.

**3. Debt Service Fund**

These funds account for and report financial resources that are restricted, committed, or assigned to expenditure for principal and interest. The Village did not carry any debt during the fiscal year.

**4. Capital Project Funds**

There were no capital projects funded during the year.

**5. Enterprise Funds**

These funds account for operations that are similar to private business enterprises, where management intends to recover the significant costs of providing certain goods or services through user charges. The Village had the following significant Enterprise Fund:

Sewer Fund - This fund receives charges for services from residents to cover sewer service costs.

**E. Budgetary Process**

The Ohio Revised Code requires that each fund be budgeted annually.

**1. Appropriations**

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the object level of control, and appropriations may not exceed estimated resources. The Village Council must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end.

**2. Estimated Resources**

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must approve estimated resources.

**3. Encumbrances**

The Ohio Revised Code requires the Village to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be re-appropriated.

**VILLAGE OF WOODSTOCK  
CHAMPAIGN COUNTY**

**NOTES TO THE FINANCIAL STATEMENT  
FISCAL YEAR ENDING DECEMBER 31, 2022  
(Continued)**

A summary of 2022 budgetary activity appears in Note 3.

**F. Fund Balance**

Fund balance is divided into five classifications based primarily on the extent to which the Village must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

**1. Nonspendable**

The Village classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

**2. Restricted**

Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

**3. Committed**

Council can *commit* amounts via formal action (resolution). The Village must adhere to these commitments unless the Council amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

**4. Assigned**

Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than the general fund report all fund balances as *assigned* unless they are restricted or committed. In the general fund, *assigned* amounts represent intended uses established by Village Council or a Village official delegated that authority by resolution, or by State Statute.

**5. Unassigned**

Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Village applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

**G. Property, Plant, and Equipment**

The Village records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

**H. Accumulated Leave**

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

**2. EQUITY IN POOLED DEPOSITS AND INVESTMENTS**

The Village maintains a deposit and investments pool all funds use. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits and investments at December 31 was as follows:

Other time deposits (savings and NOW accounts)	0

Total investments	0
Total deposits and investments	\$442,706

**Deposits:** Deposits are insured by the Federal Depository Insurance Corporation to \$250,000. Deposits exceeding this limit are secured by an interest in the Public Funds Pledged Collateral Pool managed by a third-party bank.

**3. BUDGETARY ACTIVITY**

**4. PROPERTY TAX**

Real property taxes become a lien on January 1 preceding the October 1 date for which the Council adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. The financial statements include homestead and rollback amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Village.

**5. LOCAL INCOME TAX**

The Village levies a municipal income tax of 1.0 percent on substantially all earned income arising from employment, residency, or business activities within the Village as well as certain income of residents earned outside of the Village.

Employers within the Village withhold income tax on employee compensation and remit the tax to the Regional Income Tax Agency (RITA) either monthly or quarterly, as required. Corporations and other individual taxpayers pay estimated taxes quarterly and file a declaration annually.

**6. DEBT**

The Village had no outstanding debt at December 31, 2022

**7. DEBT SERVICE TRUST FUNDS**

The Village has not established any debt service trust funds.

**8. RETIREMENT SYSTEMS**

Some Village employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes the plan's benefits, which include postretirement healthcare and survivor and disability benefits.

**VILLAGE OF WOODSTOCK  
CHAMPAIGN COUNTY**

**NOTES TO THE FINANCIAL STATEMENT  
FISCAL YEAR ENDING DECEMBER 31, 2022  
(Continued)**

The Ohio Revised Code also prescribes contribution rates. For 2022, OPERS members contributed 10% of their gross salaries and the Village contributed an amount equaling 14%, respectively, of participants' gross salaries. The Village has paid all contributions required through December 31, 2022.

**9. RISK MANAGEMENT**

**Commercial Insurance**

The Village has obtained commercial insurance for the following risks:

- Comprehensive property and general liability;
- Vehicles;
- Errors and omissions; and
- A surety bond for the Fiscal Officer position.

**10. CONTINGENT LIABILITIES**

The Village is not presently a defendant in any lawsuits.

An agreement regarding the processing of sewage from the Village of Woodstock's collection system existed until recently with the neighboring Village of North Lewisburg. This agreement was informally extended pending a new agreement. Discussions are on-going. Although it is not possible to presently determine the outcome of these discussions, the Village believes that the terms of a new agreement will not materially adversely affect the village's financial condition.

The Village was the recipient of funds from both the Coronavirus Relief Fund and the American Rescue Plan. The amounts the grantor paid to the Village are subject to audit and adjustment by the grantor, the federal government. The grantor may require refunding any disallowed costs. The amount of disallowed costs cannot presently be determined, but the Village believes that any refunds would be immaterial.

**11. RELATED PARTY TRANSACTIONS**

The Village participated in no related party transactions during the reporting period.

**12. JOINT VENTURES**

The Village is not participating in any joint ventures involving financial benefit or burden.

**13. JOINTLY GOVERNED ORGANIZATIONS**

The Village appoints three members (one voting, one contingent) to the governing board of the Northeast Champaign County Fire District.

**14. RELATED ORGANIZATIONS**

The Village does not appoint a voting majority to the board of any related organizations.
